17 **ANSWERING THE PRAYERS FOR RELIEF**

18 Meta denies that Plaintiffs are entitled to any relief.

19 **AFFIRMATIVE AND OTHER DEFENSES**

20  
21 Meta asserts the following affirmative and other defenses to the Complaint. By identifying the  
22 following defenses, Meta does not admit or acknowledge that it bears the burden of proof and/or burden  
23 of persuasion with respect to any such defense. Meta also gives notice that it intends to rely upon such  
24 other and further defenses of which it becomes aware during discovery in this action and reserves the right  
25 to amend its Answer to assert any such defenses.  
26  
27  
28

1           1.       With respect to every action originally brought in a court located outside California, Meta  
2       avers that this Court lacks personal jurisdiction over it.

3           2.       Plaintiffs' claims fail, in whole or in part, to the extent that they are based on nonactionable  
4       statements of puffery or opinion, rather than statements of fact.

5           3.       Plaintiffs' claims fail, in whole or in part, to the extent that they were not made in  
6       connection with a consumer transaction.

7           4.       Plaintiffs' claims fail, in whole or in part, to the extent that they are based on petitioning  
8       statements made to Congress.

9           5.       Plaintiffs' claims are barred in whole or in part because Plaintiffs lack standing to assert  
10      some or all of the causes of action alleged and to obtain some or all of the relief requested.

11          6.       A percentage of the alleged harm, if proven, is attributable to persons from whom Plaintiffs  
12      do not seek recovery in this action. Plaintiffs' claims are barred and/or Plaintiffs' recovery must be  
13      reduced, in whole or in part, because of the contributory and/or comparative fault of third parties, including  
14      but not limited to users of Meta's services, who caused or contributed to the alleged harm.

15          7.       A percentage of the alleged harm, if proven, is attributable to the conduct of Plaintiffs,  
16      users of Meta's services, and/or others acting on Plaintiffs' behalf. Plaintiffs' claims are barred and/or  
17      Plaintiffs' recovery must be reduced, in whole or in part, because Plaintiffs' or the users' alleged injuries  
18      were caused by the contributory or comparative fault of Plaintiffs, users, and/or others acting on Plaintiffs'  
19      behalf and because the principle of secondary assumption of risk applies to Plaintiffs' claims.

20          8.       Meta is not liable for any harm alleged by Plaintiffs that users of Meta's services sustained  
21      as a result of the use of any non-party's website, app, online service, or other good, product, service or  
22      intangible.

23          9.       The alleged harms, in whole or in part, resulted from independent, intervening, and/or  
24      superseding causes, for which Meta is not legally responsible and which were not foreseeable. Meta has  
25      26  
27  
28

1 no duty to protect Plaintiffs or users of Meta's services from intentional criminal acts of third persons,  
2 which are superseding causes that extinguish any liability.

3 10. Meta owes no duty of care toward users of Meta's services in regard to the alleged inherent  
4 risks of Meta's services, and any recovery against Meta is barred or limited under the principle of primary  
5 assumption of risk, both express and implied.  
6

7 11. Users' alleged injuries and harm, if any, were caused or contributed to, directly and  
8 proximately, in whole or in part, by misuse, unauthorized use, criminal use, unintended use, unforeseeable  
9 use and/or improper use of the service(s) at issue in this matter.

10 12. Plaintiffs' claims are barred, in whole or in part, by the equitable doctrine of unclean hands,  
11 including to the extent Plaintiffs' claims are brought despite violations by users of Meta's Terms of Service  
12 and/or Terms of Use.  
13

14 13. The alleged harms, if any, were due to illicit use or abuse of Meta's services through  
15 conduct that was fraudulent, illegal, or otherwise improper. Meta's services were and continue to be age-  
16 restricted. Users who began using Meta's services below the permitted age unlawfully obtained Meta's  
17 services while underage and through the use of deception, fraud, or other improper conduct, such as  
18 through misrepresentation of their true ages, use of fake identification, or attempts to circumvent age-  
19 gating technology.  
20

21 14. To the extent Meta engaged in any wrongful conduct, such conduct was not willful or  
22 knowing.

23 15. Plaintiffs' claims are barred, in whole or in part, because Plaintiffs' claims are expressly or  
24 impliedly preempted, in whole or in part, by federal or Plaintiff States' law. Plaintiffs' claims are also  
25 preempted insofar as they conflict with Congress's purposes and objectives in enacting relevant federal  
26 legislation and authorizing regulations, including the Communications Decency Act.  
27  
28

1           16.     Plaintiffs' claims are barred, in whole or in part, to the extent they seek to impose sanctions  
2 on Meta for engaging in protected activity under the First Amendment to the United States Constitution  
3 and similar provisions of the Plaintiff States' constitutions. Moreover, the representations or statements  
4 alleged to have been made were true and accurate at the time made and/or otherwise were made in good  
5 faith, with a reasonable belief as to their validity and accuracy and with a reasonable belief that all conduct  
6 was lawful.  
7

8           17.     Plaintiffs' claims are barred in whole or in part by the Communications Decency Act. *See*  
9 47 U.S.C. § 230(c)(1).  
10

11           18.     Plaintiffs are barred from recovery to the extent of Plaintiffs' and/or users' failure to avoid  
12 or mitigate harm, including but not limited to users' failure to cease using Meta's services; failure to seek  
13 medical or other assistance in an effort to cease using Meta's services; or failure to otherwise seek medical  
14 or other assistance in an effort to address users' alleged injuries or harm.  
15

16           19.     Plaintiffs' claims are barred, in whole or in part, to the extent that Plaintiffs seek duplicative  
17 relief for the same conduct.  
18

19           20.     Plaintiffs' claims are barred, in whole or in part, pursuant to all applicable statutory and  
20 common law doctrines regarding limitations of awards, caps on recovery, and setoffs.  
21

22           21.     At all times material herein, Meta's actions were specifically authorized under the laws  
23 administered by, or rules and regulations promulgated by, regulatory bodies or officers acting under the  
24 authority of the Plaintiff States or the United States.  
25

26           22.     Plaintiffs' claims are barred, in whole or in part, by the applicable statutes of limitations  
27 and of repose. Plaintiffs' claims are based on alleged acts or omissions that occurred before any applicable  
28 limitations period and thus are time-barred.

          23.     Recovery for Plaintiffs' alleged harm should be limited to the extent that Meta was unjustly  
enriched by any violation, insofar as Plaintiff States' consumer protection statutes provide Meta the

1 opportunity to show by a preponderance of the evidence that such violation resulted from a bona fide error  
2 notwithstanding the maintenance of procedures reasonably adapted to avoid the error.

3 24. Plaintiffs' claims are barred to the extent they are moot, including because Plaintiffs have  
4 made numerous allegations about historical practices or other practices that have ceased and that cannot  
5 support a request for injunctive or other relief.  
6

7 25. The Complaint and each claim contained therein fails to state a claim upon which relief  
8 can be granted, fails to state facts sufficient to constitute a cause of action, and fails to plead cognizable  
9 injury.

10 26. The injuries and harms Plaintiffs allege, if any, were the direct result of users' preexisting  
11 medical conditions or idiosyncratic reactions and/or occurred by operation of nature or as a result of  
12 circumstances over which Meta had and continues to have no control.  
13

14 27. Meta asserts its right to a proportionate reduction of any recovery found against Meta based  
15 on the negligence or other conduct of any settling tortfeasor and/or responsible third party and/or Plaintiffs.

16 28. Recovery for Plaintiffs' alleged harm should be barred or reduced to the extent such harm  
17 was caused by (A) content created by persons and/or entities not within Meta's control and/or (B) changes  
18 and/or alterations to Meta's products made by persons and/or entities not within Meta's control.

19 29. Plaintiffs' claims for relief are barred because they would be unjustly enriched if they  
20 recovered any monetary relief.  
21

22 30. Plaintiffs have failed to join necessary or indispensable parties.

23 31. Plaintiffs cannot obtain relief on their claims based on actions undertaken by Meta of which  
24 Meta provided notice of all reasonable facts.

25 32. Meta appropriately, completely, and fully discharged any and all obligations arising out of  
26 the matters alleged in the Complaint.

27 33. Plaintiffs' claims are not ripe.  
28

1           34.     Plaintiffs' claims are barred in whole or in part because they are derivative of claims that  
2 could be asserted, if at all, by users of Meta's services, and/or by their parents or guardians.

3           35.     Plaintiffs' claims are subject to all defenses that could be asserted if Plaintiffs' claims were  
4 properly made by individuals on whose behalf or for whose alleged injuries or harm Plaintiffs seek to  
5 recover.  
6

7           36.     The conduct alleged in the Complaint was consented to and/or ratified.

8           37.     Plaintiffs' claims are barred in whole or in part because the conduct alleged in the  
9 Complaint was contemplated by contracts and/or agreements that users of Meta's services entered into  
10 with Meta or third parties.

11           38.     Plaintiffs' claims are barred, in whole or in part, by the doctrines of claim and/or issue  
12 preclusion to the extent that Plaintiffs and/or Plaintiff States' users of Meta's services have brought or will  
13 bring other lawsuits against Meta that reach judgment before this action reaches judgment.  
14

15           39.     To the extent any agents, employees, or contractors of Meta caused any of the injuries or  
16 harm alleged by Plaintiffs and such agents, employees, or contractors were acting outside the scope of  
17 their agency, employment, or contract with Meta, any recovery against Meta must be reduced by the  
18 proportionate fault of such agents, employees, or contractors.

19           40.     Plaintiffs' claims are barred, in whole or in part, because to the extent Meta engaged in any  
20 of the alleged acts, omissions, or conduct, it did so with justification.  
21

22           41.     Plaintiffs' claims are barred, in whole or in part, because at all relevant times, Meta's  
23 actions were within the ordinary course of business.

24           42.     Plaintiffs' claims are barred, in whole or in part, to the extent that Plaintiffs failed to provide  
25 Meta with notice of and a reasonable opportunity to cure the alleged defects.  
26  
27  
28

1           43.     The claims asserted in the Complaint are barred, in whole or in part, because the activities  
2 of Meta alleged in the Complaint conformed with all state and federal statutes, regulations, and industry  
3 standards based on the state of knowledge at the relevant times alleged in the Complaint.

4           44.     Plaintiffs may not recover from Meta because the methods, standards, or techniques of  
5 designing and making available the services at issue complied with and were in conformity with the  
6 generally recognized state of the art at the time the services were designed and made available to users.

7           45.     Plaintiffs' claims are barred in whole or in part because Plaintiffs and/or users of Meta's  
8 services suffered no injuries or harm as a result of any action by Meta.

9           46.     Plaintiffs are precluded from recovering civil penalties and/or statutory damages under  
10 applicable provisions of law.

11           47.     To the extent that Plaintiffs allege fraud, fraudulent concealment, or similar conduct,  
12 Plaintiffs have failed to plead fraud with sufficient particularity.

13           48.     Meta is not liable for statements or omissions in the written materials of app stores through  
14 which Meta's services were made available to users.

15           49.     Plaintiffs' claims are barred, in whole or in part, by the doctrines of acquiescence,  
16 settlement, and release.

17           50.     Plaintiffs' claims are barred in whole or in part by the dormant Commerce Clause of the  
18 United States Constitution.

19           51.     Plaintiffs' claims are barred in whole or in part by the Due Process Clauses of the United  
20 States and Plaintiff States' Constitutions.

21           52.     Plaintiffs' claims are barred or limited by the separation of powers doctrine to the extent  
22 that they raise political or policy issues, not legal or constitutional ones.

1           53. Plaintiffs' consumer protection claims fail, in whole or in part, to the extent that Plaintiff  
2 States' consumer protection statutes exempt from liability publishers, broadcasters or other persons who  
3 publish, broadcast, or reproduce material without knowledge of its allegedly deceptive character.

4           54. Any verdict or judgment that might be recovered by Plaintiffs must be reduced by those  
5 amounts that have already or will in the future indemnify Plaintiffs in whole or in part for any past or  
6 future claimed economic loss from any collateral source, such as insurance, social security, workers'  
7 compensation, taxes, or employee benefit programs. Further, Plaintiffs' claims are barred, in whole or in  
8 part, to the extent they seek to recover any damages, restitution, costs, or other payments that have been  
9 reimbursed, paid, or borne by other persons or entities. Any verdict or judgment that might be recovered  
10 must be reduced by those amounts that already have been or will in the future, with reasonable certainty,  
11 be paid to Plaintiffs by others.  
12

13           55. Should Meta be held liable to Plaintiffs, which liability is specifically denied, Meta would  
14 be entitled to a setoff for any and all sums of money received or available from or on behalf of any  
15 tortfeasor(s) for the same injuries alleged in Plaintiffs' Complaint.  
16

17           56. Plaintiffs' claims are premised on the provisions and limitations of Plaintiff States'  
18 consumer protection statutes. Meta is entitled to, and claims the benefit of, all defenses and presumptions  
19 set forth in or arising from any rule of law or statute of the Plaintiff States or any other state whose  
20 substantive law might control the action or claims.  
21

22           57. Plaintiffs' claims may be barred, in whole or in part, because users did not rely (reasonably  
23 or otherwise) upon any purported statement by Meta in determining to use Meta's services.

24           58. Plaintiffs' claims are barred, in whole or in part, by the equitable doctrine of laches to the  
25 extent that Plaintiffs unreasonably delayed before pursuing their purported claims.  
26  
27  
28

59. To the extent that Plaintiffs seek relief for Meta's conduct occurring before enactment of applicable statutes or regulations, the claims fail because the statutes and regulations do not apply retroactively.

60. Meta hereby gives notice that it reserves the right to rely upon any other defense that may become apparent as discovery progresses in this matter, and reserves its right to amend its Answer and to assert any such defense. Meta also reserves the right to amend its Answer and to assert any such defense should Plaintiffs at any time hereafter purport to raise, rely on, or otherwise seek to proceed on any claim or theory stated in their Complaint that has been dismissed. Meta also reserves the right to amend its Answer and to assert any such defense should Plaintiffs at any time hereafter ask the Court to award relief on the basis of Plaintiffs' prayers for "other" relief.

#### **PRAYER FOR RELIEF**

Meta prays for the following:

1. That Plaintiffs take nothing by reason of their Complaint;
2. That judgment be rendered in favor of Meta;
3. That Meta be awarded costs and expenses incurred in defense of this action; and
4. For all such other relief as the Court deems just, equitable, and proper.

#### **DEMAND FOR JURY TRIAL**

Meta hereby demands a trial by jury of all issues so triable, and gives notice of its reliance on Plaintiffs' payment of the statutory fee.
